

# Local Health Communications Update

Keeping you update to date with the latest communications and health information from Royal Berkshire NHS Foundation Trust and Berkshire West ICB. Please share and distribute - if you would like more information please contact [communications@royalberkshire.nhs.uk](mailto:communications@royalberkshire.nhs.uk)

## Autism Spectrum Disorder Clinic

RBFT has launched a private autism spectrum disorder clinic for families of children aged 5 or under. They offer a diagnosis package which includes an ASD assessment by a Consultant and Speech and Language Therapist, and a follow-up appointment to discuss the diagnosis.

## Cervical Screening

Cervical screening is not a test for cancer, it's a test to help prevent cancer.

Shareen, RBFT Lead Nurse Colposcopist, explains the process of screening and how often you should get checked. Don't ignore the cervical screening invite!
